RE: Combined Application of South Carolina Electric & Gas Company for a Certificate of Environmental Compatibility and Public Convenience and Necessity and for a Base Load Review Order for the Construction and Operation of a Nuclear Facility at Jenkinsville, South Carolina
Docket No. 2008-196-E

Dear Mr. Guild, Mr. Newton, Ms. Greenlaw and Ms. Thomas:

By copy of a letter addressed to you,¹ the Docketing Department of the Public Service Commission of South Carolina ("Commission") informed South Carolina Electric & Gas Company ("SCE&G" or "Company") that your Petition to Intervene in the above-captioned proceeding has been received and that "you, or the party you represent, have been made a Party of Record, unless challenged." In the letter, the Docketing Department directed SCE&G to "forward you a copy of its pleadings, its response to any data request, and any other information [SCE&G] has submitted in this proceeding."

In full compliance with this directive, enclosed you will find a copy of the Combined Application for a Certificate of Environmental Compatibility and Public Convenience and

¹ While SCE&G has not received a letter regarding Ms. Thomas, the Company has been informed that Ms. Thomas is a party of record and anticipates that the Docketing Department's letter is forthcoming.

Necessity and for a Base Load Review Order for the Construction and Operation of a Nuclear Facility at Jenkinsville, South Carolina, and SCE&G's Petition For An Order Permitting Commencement of Construction Activities submitted in the above-referenced docket. Additionally, you will find enclosed a copy of a letter that the Company filed with the Commission certifying that the Notice of Filing and Hearing issued in this docket has been published in newspapers of general circulation and mailed to SCE&G's customers.

Further, you will find enclosed of copy of the Company's responses the South Carolina Energy Users Committee's First Set of Interrogatories and First Set of Request to Produce and its responses to CMC Steel South Carolina's First and Second Set of Continuing Data Requests.

Additionally, as a courtesy, you will find enclosed a copy of the Company's responses to the South Carolina Office of Regulatory Staff's ("ORS") audit information requests. Please note that the Company does not consider the inquiries of ORS to constitute a "data request." Nevertheless, and without waiving SCE&G's position that responses to ORS's inquiries are not subject to disclosure as responses to data requests, SCE&G is providing to you herewith a copy of the non-confidential information that the Company has provided to ORS.

Please also note that SCE&G has granted ORS access to certain documents and information pursuant to a Confidentiality Agreement and that this information is not included within the enclosed documents. However, SCE&G will make this confidential information available for inspection at its headquarters to those parties who sign an appropriate confidentiality agreement.

Further, SCE&G does not assume any responsibility to provide any updates to any of the materials provided herewith, or copies of responses made to any additional inquiries of ORS or any other party. Also please note that the docket file is available for review at the Commission's website:
